Additional Explanation

I ran for office in the primary cycle of 2024. During the campaign, I started to have severe medical issues

[REDACTED] This prevented me from being able to connect with my campaign treasurer or go to the bank to close down my campaign account. Due to this, we were unable to file the October 28 on time as I could not get records from the bank due to my limited mobility. My treasurer travels for work often and each time he was in Wichita, I was bed ridden. We worked together to get the records together and bank account closed down as soon as I was able to get to the bank and get the final bank statements for the report. If it was not for my medical issues, this report would have been timely filed. I ask the Commission to grant this waiver so I can end this campaign. The campaign account has been closed and any fine will have to be paid by me personally. Due to upcoming medical costs, a waiver for this fine would be greatly appreciated.

I swear, or affirm, under penalty of perjury, that the foregoing information is true and correct. Further, I understand that some or all of the information included on and with this declaration may be made publicly available under the Kansas Open Records Act (K.S.A. 45-215 through K.S.A. 45-223).

Executed in Sedgwick County, State of Kansas, on the 5th day of February, 2025.
