## INSTRUCTIONS

### WHO MUST FILE

The Campaign Finance Act (K.S.A. 25-4150) requires certain persons other than candidates, party committees and other political committees to file reports of political expenditures. This report must be completed by each person, other than a candidate, party committee or other political committee, who makes **Independent** expenditures other than by a contribution to a candidate, party committee or other political committee, in an aggregate amount of \$100 or more within a calendar year. A reportable expenditure is any purchase or payment made, or anything of value used, which expressly advocates the election or defeat of a clearly identifiable candidate, to any state or local office, without the cooperation or consent of the individual intended to be benefitted thereby.

### WHEN AND WHERE TO FILE

The completed form is to be filed with the Secretary of State for independent expenditures made for a **state candidate** (1<sup>st</sup> Floor Memorial Hall, 120 SW 10<sup>th</sup>, Topeka, KS 66612) for the time period when independent expenditures reach an aggregate amount of \$100 or more during the calendar year and for each period thereafter when an independent expenditure is made during the calendar year.

For independent expenditures made for a **local candidate** the report must be filed with the county election officer of the county in which the candidate is on the ballot for the time period when independent expenditures reach an aggregate amount of \$100 or more during the calendar year and for each period thereafter when an independent expenditure is made during the calendar year.

The dates such reports are due and the period they are to cover are set out on the front of this report. If space provided is not sufficient, attach additional sheets making sure to indicate to which item the information pertains.
