- (a) The executive director shall, as soon as practicable, serve notice as provided in K.A.R. 19-1-8 on any treasurer who has failed to file a receipts and expenditures report on the due date. A copy of the notice shall be promptly transferred to the office of the secretary of state for inclusion in the public record of the person or committee the treasurer represents and shall also be sent to the appropriate candidate or chairperson by first class mail. Any treasurer shall, within five (5) days of the date of service, file the required report with the office of the secretary of state.
- (b) The executive director shall, as soon as practicable, serve notice on any treasurer whose receipts and expenditures report contains material errors or omissions. A copy of the notice shall be promptly transferred to the office of the secretary of state for inclusion in the public record of the person or committee the treasurer represents and shall also be sent to the appropriate candidate or chairperson by first class mail. Any treasurer shall, within thirty (30) days of the date of service, file an amended report correcting the material errors or omissions with the office of the secretary of state. The executive director may serve additional notices on any treasurer concerning these reports or amendments. The procedures for original notices shall control the process in regard to additional notices.
- (c) Upon service of this notice, the treasurer may contact the executive director for guidance or clarification concerning the material error or omission. If substantial issues remain unresolved after that conference, the treasurer may, within ten (10) days, request a hearing before the commission concerning the material errors or omissions. This hearing shall be conducted pursuant to K.A.R. 19-7-1 through 19-7-16, to the extent that the section is applicable, at the next regularly scheduled commission meeting unless a continuance is granted by the chairperson.
